

FUNRAISERS FEBUARY 2019 NEWSLETTER

.

Message from our President, Tom Seeley

I want to thank the following members for volunteering: Jan Valente to process flyers, Bert Maggio to take Coordinating Committee notes, Sheryl Fadden to chair the Coordinating Committee, and Ed Hall to be the Calendar Coordinator for events. Thank you to our Coordinating Committee.

Be sure to sign up for our Cabin Party. The committee is trying something new this year. We will have our first general member meeting at the cabin party. Please attend the General Meeting whether attending the Cabin Party or not.

Also, do not to forget to renew your membership (see below). Thank you for your help and we are looking forward to a fun filled year.

See you at a future event,
Tom

PROCESS FOR ADDING NEW EVENTS

There are 3 ways to add an event: either complete an event form on our website; complete a paper event form; or send an email with all information. **The event form on the website** will automatically go to Diane Nientimp after it is submitted. Diane will then forward the event form to both Jan Valente who will make a flyer, and to Fred Kissinger for the Newsletter and/or its updates. Jan will send the flyer to Diane for inclusion on the website and to Ed Hall to print it for Happy Hour. **If not using the form on the website**, then the paper form should be given to either Jan or Ed (who will get it to Jan), or **the event information can be emailed** to Jan at JanValente@Frontiernet.net to make the flyer and to Fred at fkissinger41@gmail.com. **If the host makes his/her own flyer**, it should be emailed to all of the following: Fred for the Newsletter, Diane (dnientimp@aol.com) for the Website and Ed (eth3067@rochester.rr.com) for posting at Happy Hour.
