**There will be a golf lesson at Big Oak (like last year) on April 25th at 11:00am. The cost will be \$12. Bill Walsh has conducted this lesson for us for several years, and his expertise is well worth attending this lesson and our group really appreciates Bill's instruction. Please let Linda Sweeting know if you will attend this lesson. (Balls are provided) Feel free to come to the lesson even if you will not be playing every week with the group**
