Event Limit: 20

Come meet the resident raptors on an educational private guided tour of the Wild Wings Birds of Prey Facility that houses and cares for permanently injured Birds of Prey (only our group will be allowed in the Facility & Cottage Gift Shop during our designated tour time). After our tour enjoy included cider & donuts before a leisurely stroll on Birdsong Fairy Trail with an opportunity to feed the birds out of your own hand. Dress for the weather and a mask will be required during the tour. Cash payment due to Barb upon arrival. If you need to cancel before the event, please notify Barb or Liz as we will be accepting names for a waitlist if the event fills to capacity.
